

**部首練習 Radical Exercise – Lesson 2**  
 bù shǒu liànxí

部首， Radicals are the base characters that ancient Chinese used to create new characters. It tells you what the character is about. Every Chinese word has one radical in it.

Here are five radicals you can find in this lesson: 戈 gē 人 rén 女 nǚ 口 kǒu 宀 mián

Connect each radical to its meaning:

人 → 亻  
rén

口 •  
kǒu

戈 •  
gē

女 •  
nǚ

宀 •  
mián

• mouth

• female

• house

• weapon

• human

Find and color the radical part in each character, and filled in the Pinyin for each character on the line:
